

Experienced Sign and Lighting Technician

Sign and Lighting Technician

ODEGARD SIGN AND LIGHTING, a division of Worldwide Energy, Inc., a reputable and rapidly growing energy efficiency company, is taking Odegard Sign and Lighting to the next level, and we want to take you with us. Because our growth has created demand for our quality product and service, we are in search for qualified sign and lighting technicians to join our expert team. A Journeyman Electrician would be a plus. This is a physical position that will require you to do some heavy lifting, stand and kneel for long periods of time and climb ladders to extreme heights. Proficiency with the hand tools necessary to diagnose and repair outages is essential. Understanding general construction, OSHA codes, and industry safety guidelines is important. Experience operating bucket trucks and scissor lift is necessary. A commercial drivers license with a medical card is preferred. If you have a good driving record, a good attitude and are a problem solver, we want to make you a member of the best sign and lighting team in Kansas City.

A Competitive salary, performance bonus, medical, dental and vision benefits and 401K options are offered.

Requirements not stated above include:

Complete our drug and alcohol screening prior to employment, as well as random screenings throughout employment;

Provide hand tools necessary to complete exterior and interior sign and lighting installation and maintenance;

Maintain a good driving record. (If selected, a current MVR is required. If you do not have an MVR, you can obtain one at the DMV for a minimal fee); ~~Ëçâ,¬Âç~~ Tremendous desire to excel and maintain a positive attitude;

Willingness to work overtime, weekends - Some overnight travel may be required. This description is a general statement of required duties and responsibilities to be performed on a regular basis; it does not exclude other duties as assigned.

Apply In Person or send resume to dawn@worldwideenergy.com.
